

SHAHZAIB MUNIR

SENIOR UX UI DESIGNER

Dear sir/madam,

RE: Application for UX UI Designer. Please find attached my resume in support of my application for the above position. I am applying for this role because it is a job I can both excel in, and perform to a very high standard. Having researched your organization in detail, I have been attracted to your strong track record of achievement and your company values

In addition to being an exceptional communicator and collaborator, I am the type of person who understands how important my performance in this role will be to the success of your organization. If I am successful, I will constantly seek to add value in my work to help your company maintain its position as a market leader, and to ensure you see a positive return from your investment.

The Art of Crafting User Experiences:

Unleashing creativity to redefine user interactions and elevate digital experiences is my passion. As a seasoned UI/UX designer, I bring a unique blend of artistic flair and strategic thinking to create interfaces that resonate with users on a profound level.

Designing Beyond Pixels:

Embark on a journey beyond traditional design boundaries with a UI/UX designer who transforms concepts into captivating visual narratives. I thrive on turning ideas into seamless, user-centric designs that not only look stunning but also function flawlessly

I am available for an interview at short notice and can be contacted via any of the details. Thank you for considering my application.

Profile

I am a UX/UI designer with over 5+ years of experience. I enjoy uncovering and solving visual challenges and understand that the best user interfaces and products should not only hold an aesthetic value but should function seamlessly and deliver on business goals

Work Experience

2024 StarXcodes Remote (United Kingdom)

Product Design Manager

- As a Product Design Manager at StarXcodes, I have honed my expertise in crafting user-centric mobile apps and dashboard interfaces that are not only visually compelling but also deeply intuitive.

2024 Codibo.com Remote (United States of America)

Product Design & Management

- I served as a Senior UX/UI Designer and played a management role at Codibo.com, a remote-first company based in the United States. In this capacity, I spearheaded the creation of user-centered design solutions for digital products.

2023 My HomeB Remote (United Kingdom)

Product Design Lead

- Working with the wider VOIP System development team.
- Manage website design, Join in Meetings, and Branding and Logo Design

2022 Devinx

Senior UI UX Designer

- Working with the wider development team. Manage website design, SaaS platform, and VOIP systems.
- Dashboard Design, Branding Design.
